Sir,

Community Projects - Travelling allowance - Transfer and Family Travelling allowance for persons deputed from other Departments - Orders requested.

I beg to submit the following grievances for your kind consideration and favourable orders.

I am a permanent Government Servant of the Registration Department, Tellicherry District having more than 10 years of Service. While I was deputed for the training of the Social education Organisers at Gandhigram on 1-4-53

was allowed only tour travelling allowance according to the G.O sanctioning the same. As for the G.O cited above I understand that I am eligible only ~~for~~ for tour travelling allowance for the return journey to the Project Executive Office. But as it is a clear case of transfer on my part from Payyanur, the former place where I was working, to Bantval, my present headquarters, I submitted a transfer travelling allowance bill which includes family travelling allowance also, along with the tour travelling bill submitted according to G.O cited above. As for the Madras Travelling Allowance Rules I am always entitled for transfer travelling allowance But the G.O Ms. No 999 is not clear regarding the matter and as such my transfer travelling allowance was returned. It is too hard to deny the travelling allowance on personal effects and family to a faithful Government Servant who has put in nearly 11 years of Government Service. I request the Government to view the matter sympathetically and kindly issue the necessary orders making the matter clear and enabling me to sanction my transfer and family travelling allowance from Payyanur to Bantval.

(A)

Yours faithfully
C.C. Thomas
Social Education Organiser.
Bantval.

Submitted to the Director of Community Projects, Madras.

2. The petitioner was appointed as Social Education Organiser and posted to this area in G.O. Ms. No. 1005 Public (C.P.) Dept. dated 14.4.1953. As per G.O. Ms. No. 999 Public (C.P.) Dept. dated 14.4.53, he is eligible only for four travelling allowance for the journey from Training Centre to Project

Headquarters. The petitioner's claim for transfer T.A. does not seem to be justified as his appointment and consequent posting was presumably at his own request by means of application for appointment to the post of Social Education Organiser.
